Why you should use homemade Chakki Aata?

Hygienic and Pure

The flour is made from the grains that you chose for yourself.

Preservative Free

There are no preservatives added into your aata.

Fresh

Freshly ground aata is better than packed aata which was processed in a factory.

Healthy

All major Nutrients are retained when aata is from domestic Chakki.

Convenient

No more running to the flour mill or to the grocery store to get aata. Get it from the comfort of your home.

Control on fineness

Grinding Aata at home can give you better control over the levels of fineness - from coarse to super fine.
